Comments from SLEA

Comments from the Superintendent: Joe and I applied for a career tech waiver for the middle school. If approved, we will be able to use Project Lead the Way as career tech..

The second round of vaccines for employees is Saturday. The carpentry class was presented to the sophomores. Mr. D’Amico is in the process of enrolling students now. I applied for two grants in case we have enough interest. I would like to have 6-7 students in the class.

Comments from Mrs. Jones: A community member asked me what happens when one of our teachers has covid and has to quarantine. Mrs. Viscounte stated that we are allowing them to teach remotely if possible. We get a substitute or a tutor for the classroom.

Contacted by Aaron Oblisk transportation supervisor at West Branch. He was wondering if we would listen to a presentation for them to handle our buses. Mrs. Viscounte asked for him to submit a proposal, he can contact our office or go through Mrs Jones
