Comments from the Superintendent. The tile project is moving along. The tile is grey and purple with dark grey molding. Ionization units are ordered. We have a company filming athletic events. They will provide the cameras and do the filming for home events. Our new website was launched on June 9th. Dr. Lori Wilfong will be providing professional development in the Fall. We would like to discuss substitute pay rates, aide pay rates, and possibly folding the fiscal office salary schedule into the administrative assistant schedule for the Superintendent’s office.
