The President called the Board out of Executive Session at 6:47 p.m.

Comments from the Superintendent. At this point, we are recommending masks but not requiring them. We will continue to monitor the situation. We upgraded our HVAC system with bipolar ionization that deactivates the virus particles in the air. Wednesday is convocation beginning at 7:30 a.m. We applied for an IRN number for an online school in the event we would need it.
