Chromebook and School Services Memo

Damage or Loss of Use

This memo indicates the student and that student's parent/guardian (borrower) is accepting primary responsibility for Sebring School District equipment.

The borrower will be responsible for the care and protection of signed-out equipment and agree to use/store equipment properly. Any equipment must not be subjected to any form of misuse or disjuncture. Any damage or theft caused during this period will be the sole responsibility of the borrower.

1. The borrower will be responsible to return any equipment in equivalent condition and will assume all liability for any damage, loss, neglect or abuse.
2. Equipment is NOT allowed to be loaned to transferred to any other entity unless explicit permission is given.
3. Modifications or alterations are not allowed without prior approval from administration.
4. All borrowed equipment, approved or otherwise, must be available at any time as requested.

Privacy Notice

Sebring Schools stores, collects and monitors all activity and data transfer on Chromebooks and student accounts.

We receive, process and store certain information, including Personal Data. Such information is owned and controlled by Sebring School District. Student data may include information from email, apps, browser history, instant messages, tools or other services that students use, while using a District Device.

We maintain a strict data retention policy and use this data for safety and instructional purposes.

For questions, or more detailed privacy information, please reach out to our Technology Coordinator or Superintendent.

If you do not agree to these terms and guidelines, please contact school administration for instructions on returning borrowed devices.
